

ACSM-CEP Application Clinical Experience Log

ACSM-CEP candidates are required to provide documented clinical experience (Master's prepared – 600 hours; Bachelor's prepared – 1,200 hours). Clinical experiential hours must be gained exclusively from a clinical setting. Additional restrictions and experience requisites are provided in the Candidate Handbook pages 5-6. Clinical hours may be earned through internships, volunteer hours and/or work experience. Virtual, hands-on counseling hours are accepted. Virtual counseling hours must document active participation in exercise counseling, prescription, and support. No more than 50% of required clinical experience hours can be attributed to virtual counseling.
