Special Accommodations Request Form

Request for Testing Accommodations

The American College of Sports Medicine (ACSM) complies with the Americans with Disabilities Act of 1990 (ADA). To ensure equal opportunities for all qualified persons, ACSM will make reasonable testing accommodations for certification candidates when appropriate and consistent with such legal requirements. ACSM will consider requests for testing accommodations related to any ACSM Certification exams from certification candidates with a documented disability that substantially limits the candidate’s sensory, manual, speaking or other functional skills, including a disability that impairs significantly the candidate’s ability to arrive at, read or otherwise complete the examination. These accommodations can include additional time to complete the exam or use of approved auxiliary aids.

ACSM requires that each candidate requesting a testing accommodation complete and submit this form with the certification application. The information and any documentation that the candidate provides regarding his/her disability and the need for accommodation(s) will be treated as confidential.

NOTE: Candidates may take breaks taken at testing centers at any time during the exam; however, the exam timer will continue to run during breaks. Therefore, extended time should be considered for candidates who require frequent or extended breaks related to their disability.

NOTE: Accommodations cannot be added to an already-scheduled exam. Please do not schedule your exam until your accommodations are approved. If you have already scheduled your exam, please CANCEL it and follow the instructions after accommodations are approved.
