## **Sports Medicine Orthopedic Surgery — Earn 90th Percentile + Private Practice in Midwest State Capital**

This well-established orthopedic group is seeking a sports medicine orthopedic surgeon to join their team of 13 orthopedic surgeons and 8 mid-levels. The group is dedicated to treating their patients compassionately, collaboratively, and with the highest level of quality while enjoying earning potentials over \$1.1 million.

### **Opportunity Highlights**

- Fully physician-owned orthopedic clinic + full continuum of ancillary services
- Immediate patient volume with a robust referral base
- 2.5 days of OR block time in hospital and surgery center
- Experienced support staff in place for an efficiently-ran practice
- Ability to focus on sports medicine patients
- 400+ cases per year
- 2-year base salary guarantee before ownership option of practice, ASC, physical therapy, imaging, and walk-in clinic

### **Community Information**

Whether you choose to live in a subdivision, by the lake or downtown, this family-friendly community is a great place to call home. A capital city with the amenities to match, you will love its scenic surroundings and thriving medical hub.

- Low cost of living and beautiful homes throughout the area
- Excellent local schools and universities
- Vibrant area with microbreweries, upscale restaurants, annual art and music festivals
- Plenty of parks, golf courses, a large recreational lake, and outdoor activities to enjoy
- Close proximity to St. Louis, Chicago, and Indianapolis
