Instructions & Policies

Instructions *

Click here to review the [grant application instructions and formatting requirements](#) before proceeding. Applications that do not adhere to these instructions and policies will not be reviewed.

Click the "Manage Collaborators" button at the top of the page to invite others to review your application before submitting. Student investigators are encouraged to add their advisors as collaborators.

Select one or more options

☐ I have read and understand the application instructions.

Policy Acknowledgement *

Presenting Funded Research: There is an expectation that grantees funded by the ACSM Foundation will:

- Present funded research on the EIM-OC Webinar in Fall 2027,
- Present funded research at a future ACSM Annual Meeting and/or Chapter Meeting and
- Send the ACSM Foundation a copy of any publications or presentations of the funded research.

Lead Investigators: The lead investigator (LI) is required to be a national ACSM member and a full-time faculty or staff of the applicant institution.

Race/Ethnicity Data Collection and Use: We request that LI's provide information on race/ethnicity to better understand who applies for and receives grant funding. This information will help inform future application requirements and improve the scientific review process. Grant administrators will remove race/ethnicity data before sending applications to reviewers. Race/ethnicity will not be considered during the grant review process. Thank you for supporting these efforts.

Select one or more options

☐ I have read and understand the policy statements.

Institution Information

Institution Name *

Is your campus registered for EIM-OC? *

Select one or more options

☐ Yes

☐ No

Number of Years as a Registered EIM-OC Program

This grant application will not be accepted or reviewed if the school is not a registered EIM-OC institution.

EIM-OC Leadership Team * List the five person EIM-OC leadership team for your institution. <i>Note: ACSM membership is required for the advisor and the two student representative roles.</i>
Team Members
Lead Investigator Information
First Name *
Last Name *
Email Address *
Role at Institution *
ACSM Member ID Number * Lead Investigators must be ACSM national members in good standing before applying for funding. Grantees must remain ACSM members through the life of the grant, including the final reporting period. ACSM chapter membership alone does not fulfill this requirement. Check your member status at acsm.org or contact ACSM at membership@acsm.org or (317) 637-9200. Note: new or renewed memberships may take 24-48 hours to register in the system.
ACSM Member Expiration Date *
Race/Ethnicity * We are requesting LIs provide their race/ethnicity to better understand who applies for and receives grant funding and to improve the grant process. <i>Note: This information will not be considered or shared during the review process.</i> Select one or more options ☐ American Indian or Alaska Native ☐ Asian ☐ Black or African American ☐ Hispanic or Latino ☐ Native Hawaiian or Other Pacific Islander ☐ White ☐ Other ☐ Chose not to report
What is your involvement in the EIM-OC program? *
CV or Resume of Lead Investigator * [File Upload]
Proposal Details
Proposal Title *
Program Goals * Outline in bullet points the program goals that would be sought after with funding.
Program Description * Provide information on how the program goals are going to be reached.
Rationale for the Project * Briefly explain the history of EIM-OC programming at the applicant institution and how the proposed project will add value to the program.

Data to Be Collected * Outline the data that will be collected to support the goals of this proposal.
Outcome Measures * How will you measure success throughout this programming?
Resubmission Status * Indicate if this application is for a program proposal that was previously reviewed and scored by the ACSM Foundation. Select one or more options ☐ No, this is not a resubmission ☐ Yes, this is a resubmission
Resubmission Summary Required for resubmitted proposals only. Provide a point-by-point summary of revisions and collectively answer all major concerns noted in the previous review cycle.
Budget
Budget Uses * ACSM Foundation grant funds may be used to support equipment, supplies, or other miscellaneous research expenses. Select one or more options ☐ I understand the uses and limitations of the grant funds
Total Amount Requested * Use whole US dollars.
Itemized Budget * Itemize the proposed budget. List the cost per unit, the number of units needed, and the total cost. One item per line. <i>Tip: Strengthen the budget by using it for more than one item.</i>
Budget Narrative * Justify the items listed in the itemized budget categories above.
Supporting Documents
Bibliography * Limit PDF size to 10mb or less. Follow Medicine & Science in Sports & Exercise formatting guidelines [File Upload]
Letter of Support * Limit PDF file size to 10mb or less. A letter of support is required for PA Promotion Grants. The letter should include/confirm: • project will be supervised by the lead investigator, • key abilities of the EIM-OC leadership team, • EIM-OC leadership teams ability to complete the project. [File Upload]

Publications

Limit PDF file size to 10mb or less.

If available, submit any reprints of personal or related publications that are relevant to this proposal. Do not include more than three. Combine publications into one PDF document.

Page: Final Signatures**Artificial Intelligence Certification ***

Artificial Intelligence (AI) is an evolving tool that poses unique challenges for academic scholarship. The ACSM Foundation follows the Artificial Intelligence Authoring Tools and Authorship Policy set forth by ACSM's [Medicine & Science in Sports & Exercise®](#). PIs are fully responsible for the content of their proposal, even those parts produced by an AI tool, and are thus accountable for any breach of scientific ethics or [ACSM Member Code of Ethics](#).

Indicate below if an AI tool was used in the writing of the proposal, production of images or graphical elements, or in the collection and analysis of any preliminary data.

Select one or more options

- ☐ No AI tools were used in this proposal.
☐ One or more AI tools were used in this proposal.

Description of AI use *

Detail which AI tool and how it was used in the writing of the proposal, production of images or graphical elements, or in the collection and analysis of any preliminary data.

By typing my name below, I certify that I have written this proposal and take complete responsibility for the scientific and ethical conduct of the project if funds are awarded.
